

## House Management Policy

It is the policy and intent of 'the Christmas Island Golf Club' (The club) to provide a licensed venue where members, the public and volunteers can enjoy hospitality, which includes the purchase and consumption of alcoholic beverages, in a responsible and friendly environment.

We aim to provide services of the highest quality by staff properly trained in the performance of their duties. The obligations and rights of the licensee relating to the sale and consumption of liquor on licensed premises will be politely but firmly enforced.

## Code of Conduct

We encourage and require our members, the public and volunteers to consume alcohol on our premises in a responsible manner, and 'The Club' will require any patron who consumes alcohol irresponsibly or behaves in a disorderly manner to leave our premises in an orderly fashion when requested to do so.

We do not permit juveniles who are not accompanied by or under the supervision of a responsible adult to patronise our premises. The law in respect of juveniles will be enforced at all times.

The sale of liquor and its consumption at Christmas Island Golf Club is an essential part of our business and 'The Club' are committed to operating our business in accordance with the laws pertaining to the sale and supply of liquor at and from these premises.

It is recognised and acknowledged that the excessive or irresponsible consumption of liquor can be harmful to individuals and the community.

It is not our intention or desire to permit or allow our members, the public and volunteers to consume liquor on our premises to an extent that it is harmful to themselves or harmful to others.

We are committed to serving alcohol to our members, the public and volunteers in a responsible manner in accordance with established guidelines.

It is our responsibility as 'The Club' to identify members and visitors who are consuming alcohol in excess or in an irresponsible manner.

'The Club' aims to discourage the irresponsible or excessive consumption of alcohol by implementing strategies to prevent or reduce such activity on the part of our members, the public and volunteers.
